EKSAMEN

2604 The individual, Environs and Society

30th November 2009 - 9 am

The tradition of Norwegian *Friluftsliv* contains a number of qualities. Give an account of some of these qualities and discuss how they comply with the demands of modern society.

(Minimum 8 pages - no more than 10p). Use relevant literature from the syllabus.

Remember citations and Reading list!

To be handed in at the Front desk on Friday, December 7th before 1 pm
