ENGLISH:

Either

1. Explain Descartes' philosophical project. Explain how the methodical doubt is a part of this project. How does Descartes reach the statement "I am" in the Second Meditation and what role does this statement play in the proof of the existence of God? Explain Descartes' proof of God. Finally, explain the role that the proof of God plays in Descartes' philosophical project.

or

2. Explain the distinction between deontological ethics and consequentialist ethics and explain how each of these types of ethical theory attempts to answer the central moral questions. Please make reference to Kant's and Mill's theories when explaining the differences. Also illustrate your position with examples of moral dilemmas and how each theory would respond to them.
