1. Define and explain four (4) of the six (6) following notions. Use around a half A4-page per answer.

- Pro-poor tourism (PPT)
- Green-washing
- Technocentrism
- Common pool resource (CPR)
- Zoning
- Doom tourism

2. Tourism contributes to economic development, but tourism may also have negative implications. What are the positive and the negative impacts of tourism? How are these impacts related to the society, the environment and issues of sustainability?

3. As Spenceley (2008) and Holden (2008) demonstrates in their writings, there are many implications of responsible tourism for conservation and development. Consider and describe some of the difficulties to implement responsible tourism projects, and discuss any solution how to deal with these problems.
