### **Question for both 6096 Sustainable Tourism and 6097 Sustainable Tourism**

1. Define and explain four (4) of the six (6) following notions. Use around a half A4-page per answer.

- Sustainable tourism
- Ecocertification
- Technocentrism
- Zoning
- PP-principle
- Doom tourism

2. It is clear that tourism can have both positive and negative impacts on poverty. But also the other way around, that the poverty might have both positive and negative impacts on tourism, both in developing and developed countries. The question is, how? Describe and discuss different aspects of this relationship between poverty and the tourism industry, by relating to the 'triple bottom line'. Finally, take a stand point, what actions do you think would be the best in order to control the negative impacts within this relationship?

### **Question only for 6096 Sustainable Tourism (10 ECTS)**

3. As Spenceley (2008) and Holden (2008) demonstrates in their writings, there are many implications of responsible tourism for conservation and development. Consider and describe some of the difficulties to implement responsible tourism projects of NGO's, and discuss any solution how to deal with these problems.
