Assignment 1

The Nordic model is in recent reports described as an economic and political system based on three pillars – the economy, working life and welfare.

Explain how these pillars constitute the basis for Nordic welfare states.

Assignment 2

There has been a substantial immigration to Nordic countries from 1945 to the present.

Explain the background for the influx of immigrants to the different Nordic countries. Discuss differences in integration policies and the cultural and social impact of integration in Nordic countries.

Assignment 3

Gender equality is an important part of the Nordic model. Explain and describe how gender-equality policies will promote stable and sustainable societies.
